We need your feedback - your ideas - your support

The committee have carried out an assessment of the development needs of Balla Golf Course over the next 5 years including the replacement of some essential machinery in order to maintain and enhance our unique golf course.

We have prioritised these for the next year as follows:

1. Drain and level 11th fairway
2. Reconstruct 17th Green
3. Essential improvements to a number of other Greens, Tees & Fairways
4. Fairway Mower replacement

The cost of this critical outlay will be at least €15000 in 2015.

We now must decide how this can be financed and the committee feel that getting a loan is not feasible because similar investment is needed each year for the next 5 years and loan repayments would make the task more difficult.

Raising membership would be the simplest solution to raise the necessary funds, however, the committee also feel that this should be our last resort and we are asking all members to help us to reach a fair and sustainable solution.

Balla Golf Club belongs to you, the members, and the committee are anxious that as many of you as possible have a say in how this is done. We are anxious to get as much feedback and input on this, or indeed any area which would enhance the golfing experience in Balla.

Contact any member of the committee by phone, text, email or in person
